*Applied and Environmental Microbiology* (ISSN 0099-2240), a publication of the American Society for Microbiology, 1913 I St., N.W., Washington, DC 20006, is devoted to the advancement and dissemination of applied knowledge as well as ecological knowledge, both applied and fundamental, concerning microorganisms. Instructions to authors are published in the January issue each year; reprints are available from the editors and the Publications Department. *Applied and Environmental Microbiology* is published monthly, one volume per year. The nonmember subscription price is \$220 per year; single copies are \$30. The member subscription price is \$35 (foreign, \$56 [air drop shipping]) per year; single copies are \$8. Correspondence relating to subscriptions, nonreceipt of journals, reprints, defective copies, availability of back issues, and lost or late proofs should be directed to the ASM Publications Department, 1913 I St., N.W., Washington, DC 20006 (phone: 202-833-9680).

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed.

Second-class postage paid at Washington, DC 20006, and at additional mailing offices.

POSTMASTER: Send address changes to *Applied and Environmental Microbiology*, ASM, 1913 I St., N.W., Washington, DC 20006.

Made in the United States of America.
