

## Acknowledgment of Reviewers

Harold L. Drake, *Editor in Chief*

Maintaining the high quality of manuscripts published in AEM would not be possible without the efforts of our reviewers. Perceptive reviews are essential to AEM Editors as we strive to evaluate and improve submitted work. We are indebted to the members of our editorial board and would like to also publicly acknowledge the outstanding work of the many *ad hoc* reviewers we have worked with in the past year.

Hege V. Aamot	Mike Allen	Randy Arnold	Claudio Bandi	Harry R. Beller
Patrick Abbot	Heather E. Allison	Terrance Arthur	François Baneyx	David M. Belnap
Fathilah Abdul Razak	Milton J. Allison	Cindy G. Arvidson	Georgios Banilas	Isabel Belo
Ikuro Abe	Rodrigo Almeida-Paes	Hiroshi Asakura	Wu-Li Bao	Clara Belzer
Maher Abou Hachem	Juan C. Alonso	Felipe Ascencio	Fernando Baquero	Matthew Benedict
