

Correction for Derntl et al., “Novel Strategies for Genomic Manipulation of *Trichoderma reesei* with the Purpose of Strain Engineering”

Christian Derntl, Daniel P. Kiesenhofer, Robert L. Mach, Astrid R. Mach-Aigner

Department for Biotechnology and Microbiology, Institute of Chemical Engineering, TU Wien, Vienna, Austria

Volume 81, no. 18, p. 6314–6323, 2015, <https://doi.org/10.1128/AEM.01545-15>. Page 6319, Fig. 4: The published figure contained duplicated panels (the photo labeled “ $\Delta pyr4\Delta asl1$ ” displayed in second row, third column, and the photo labeled “ $\Delta asl1$ ” displayed in third row, first column). As the original photos were no longer available, the entire image is resupplied here.
